April 8th 1935.

To the Officers and Members.

Comrades:-

In presenting to you my first annual report as your secretary I will endeavour to give you an outline of our activities and accomplishments for the year just closed. First I will comence with our activities in relation to our Zone,which were numerous for one year, the Zone Church parade to the Presbyterian church was largely attended,then followed the Zone rally and banquet,and we are indebted to the committee in charge,and to our Womens Auxiliary for the successful manner in which the banquet was managed. The Zone initiation competition for the Dr.Adams shield was also held in our club rooms,and while we did not compete,those of our members who attended were impressed with the fine work of the several teams competing. The Zone church parades at Long Branch and at Burlington were well attended by the members of this branch. The outstanding event in the branch during the year,was the Official Opening of our club rooms,the ceremony being performed by Brig.T.V.Anderson Commanding Military District No.2,who read a letter,which we received with an autographed photograph, from Lord Byng of Vimy,authorizing the use of his name for our Hall,then the flag was unfurled by Comrade H.H.Robson V.C.,who was our specially invited guest for the day. We are indebted to the Dale Estate for donating the flag pole,and to Mrs.G.Runham for donating the flag, we appreciate the assistance of the Ministerial Association,and the Town Council,and the services of the Riverdale Star Flute Band,in helping to make our opening day a success. Our annual picnic,which was in doubt for some time,was held at Huttonville Park,and was well attended. Our decoration day parade should be an anual event,judging from the success of the one held last year,and the members who collected and arranged the flowers deserve credit for their fine effort,and we are indebted to the Peel and Dufferin Regt.Bugle Band for their services on this occasion. The Buckingham wrapper contest went over the top again this year,for which the branch received 185 toys and 23 lbs.of candy,you will realize that to provide these would cost the branch a tidy sum of money,and when you think of the time and work devoted to this by the committee,not days nor weeks,but all last summer and fall,you will say they deserve all the appreciation we can show to them. We received an autographed photo from Admiral Earl Jellicoe,and his good wishes for our success,in our new club rooms,the frame for the photo being donated by Comrade J.Dunkley,we are also indebted to Comrade Potter for the pictures of the late Field Marshall Earl Haig,and the late General Sir Arthur Currie. I am sure we all appreciate the efforts of Comrade Sibley and the members of the orchestra,in helping to make our social evenings more musical,and we hope they will continue their good work. Our Armistice banquet,which was held on the ground floor of our club rooms,was well attended,and for guest speaker we had Capt.V.W.Fairweather who was then acting secretary,Ontario Command. The copper drive sponsored by the relief committee increased the fund by $24.66,and for the increased receipts and donations to our Poppy Day campaign,we should appreciate the good work of the committee,and the taggers who worked so untiringly. A social and skating party was held,to which were invited the taggers and those who assisted in our poppy drive as well as the members and their families,and everyone had a merry time, especially the committee in charge.
